Summary

—————————————————————————————————

Hello, I'm Amin. I'm a **full-stack develope**r with **4 years** of experience. I enjoy building sites & apps . My focus is **React (Next.js).**

A highly skilled Full Stack Developer with a strong focus on building dynamic web applications using React and Next.js.
Experienced in creating seamless user experiences by leveraging cutting-edge technologies and best practices in front-end
and back-end development. Committed to delivering robust, scalable, and user-friendly solutions that meet the highest quality
standards.

Experience

—————————————————————————————————

JASINT Consulting and Technologies | Jeddah
Full Stack Developer | 02/2023 - Present
I'm now a full-stack developer working at Jaz Company.
Jaz Company is a Saudi company specialized in providing many electronic services, such as marketing, creating websites,
and mobile applications, in addition to many services, and I work for it as a main web developer.

Mostaql
Full Stack Developer | 08/2019 - 02/2023
Mostaql.com **is the freelance platform for freelancers in the Arab world.**
I worked as a freelancer on this platform and achieved many successes and worked on many projects in addition to other
platforms I worked with, such as Up work and Freelancer.

Skills

—————————————————————————————————

Node.js, Express.js, MongoDB, JavaScript, React.js, Next js, TypeScript, Framer Motion, Redux, Tailwind css, Css, HTML, Material UI, Git, GitHub
